JAN 2011

Dates to Remember:

**Feb 3 N Bar H Meeting
- 7:00 PM**

CLASS LISTS HAVE BEEN APPROVED

The Class Lists for Gymkhana and the Pleasure Horse Divisions have been proposed, voted on, and approved. You should receive a copy of each with this newsletter. The Miniature Horses Class List will be voted on at our next meeting—Feb 3rd at 7:00 PM.

SHOWBOOK ADVERTISING

We'll be putting the show book together over the next month or so, so now's the time to ask businesses if they'd like to advertise with us. The more sponsors we have, the easier it is to afford the upkeep and upgrades for our riding club, so please be proactive and don't assume someone else will get us advertisers. We need everyone's help.

If you are shy, email the business name and/or contact information to me at thebertrands@hotmail.com and I'll contact them.

MEMBERSHIPS DUE APRIL 1!

Don't hesitate—get your membership renewal in before April 1 to avoid the \$10 fee.

MEETING DETAILS

Please note that club meeting days have changed—N Bar H now meets the 1st Thursday of every month, still at 7:00 PM at the Club house. All N Bar H Members may vote — both members and visitors are welcome.

CLASSIFIEDS

N Bar H would like to put out a quarterly (or as warranted) CLASSIFIEDS newsletter (in addition to including any/all possible in the monthly newsletter).

If you have any equines or equine related goods you'd like to sell (or you are looking for any equines or related items), please email me at thebertrands@hotmail.com. —if you have photos, please include them.

SPONSORED AWARDS!

Many of you may not know that Sponsored Awards can be sponsored by either a business or just an individual—to include N Bar H members. You can sponsor an award for anything we can track and it doesn't have to be expensive—you choose the amount you want to spend on the award and can even shop for it if you wish. You can choose a trophy, a practical gift like a halter and/or leadline, a photo frame, or anything else you can think of. For instance, my husband and I are planning on sponsoring a Gymkhana award this year for the horse/rider team who run the most clean courses over the 4-show season. You can specify age (horse or rider), breed, placing, or anything you can think of (again, as long as we can track the criteria).
